Emergency contacts Covid management Home AboutAbout AITAIT is an international English speaking postgraduate institution focusing on engineering environment and management studies In this section About AIT Facts and figures Rankings
LeadershipPeopleMeet our facultyMeet our staff LocationWelcome to AITThe Asian Institute of Technology AIT is an international English speaking postgraduate institution focusing on engineering environment and management studies AIT s rigorous academic research and experiential outreach programs prepare graduates for professional success and leadership roles in Asia and beyond Founded in
AIT offers the opportunity to study at an institution in
Asia which possesses a global reputation Going forward AIT will be stressing its global connections injection of innovation into research and teaching its relevance to industry and its nurturing of entrepreneurship while continuing to fulfill its social impact and capacity building role Sitting on a beautiful green campus located just north of Bangkok Thailand AIT operates as a multicultural community where a cosmopolitan approach to living and learning is the rule You will meet and study with people from all around the world Today AIT s internationally recognized engineering environment and management graduates are highly sought after by employers in their home countryand elsewhere Across many walks of life in Asia AIT alumni have distinguished themselves as CEO s of private and state enterprises as business owners as well respected researchers and faculty and as senior university and government officials
What we offerWe believe our university is enriched by having students and staff from a wide variety of backgrounds Higher education should be open to everyone who has the ability and potential to benefit from it Masters degreesMBA MEng MSc
Executive Master Degree Programs Doctoral DegreesDEng DTechSc PhD DBA Certificate and Special Program Intensive English academic bridging program Non degree continuing education courses Education for SDGsAwards and Science and Technology for Development Awardpresented to AIT by the United States Agency for International Development and the National Research Council for effectively transferring industrial technology and skills to the developing world by training scientists and engineers from Asian countries Ramon Magsaysay Award for International Understandingpresented to AIT for shaping a new generation of engineers and managers committed to Asia in an atmosphere of academic excellence Read more at this link http rmaward asia awardees asian institute of technology Development Management Awardpresented to AIT by the Asian Management Awards for fostering manpower development technological change and sustainable growth in the region through advanced education and research DAAM International Vienna Awardspresented by the Danube Adria Association and Manufacturing DAAM International Vienna Austria to express appreciation to AIT and its high technology experts from the Industrial Systems Engineering Program of the School of Advanced Technologies for their significant contribution in the field of technical sciences and international scientific cooperation within the framework of DDAM on the occasion of the th DAAM international symposium to celebrate the th anniversary of Austria Friendship Orderwas awarded to AIT

in the area of international relations that have contributed to
human resource training for Vietnam and to the development of
friendly relations between Vietnam and other countries Gold medal in
Thai Research Fund Ratingsawarded the gold medal from the Thai
Research Fund TRF for bagging the most perfect scores seven
scores of each among all universities in Thailand Vision and
MissionVisionTransforming AIT to be a respectable international graduate institution whose
research and education contribute to the development of Asia by
making AIT more global more innovative more entrepreneurial and more
economically relevant while leveraging on its social impact core strengths
MissionThe mission of AIT in the context of the emerging
environment is to develop highly qualified and committed professionals who
will play a leading role in the sustainable development of
the region and its integration into the global economy Guided
by the above clear timeless vision and mission the dedicated
students faculty and staff of AIT are set to steer
the Institute along its path of becoming A trailblazer in
advanced education in the region with leadership in IT and
new types of multidisciplinary programsAn exemplary institution with an emphasis
on academic quality in terms of courses and other aspects
of operationA leader in professional development programsA hub for the
implementation of regional and transnational research projects and a research
facility for academic professionals A nexus for networking with other
academic and research institutions in the region and the worldA
model international citizenA collaborator and partner of national postgraduate institutionsA
financially viable self sustaining institution able to draw support from
donors the private sector and individuals with good governance and
strong leadershipA strong partner to its alumni who are principal
stakeholders through the AIT Alumni Association AITAA Southeast Asia Treaty
Organization SEATO initiate establishment of a regional graduate school of
engineering with principal support to be provided by SEATO member
countries Australia France New Zealand the U K and the
U S with additional support from other regional member countries
Pakistan the Philippines and Thailand SEATO Graduate School of Engineering
project is approved by the SEATO Council of Ministers at
a meeting in Manila SEATO Council of Ministers Meeting in
Wellington New Zealand in April approves the establishment of the
school by September On July His Majesty King Bhumibol Adulyadej
of Thailand signs the Royal Decree establishing the SEATO Graduate
School of Engineering The school opens on September first graduation
ceremony is held in March Constituent Assembly of Thailand approve
legislation for the Charter of the newly named Asian Institute
of Technology in October The Asian Institute of Technology Enabling
Act is published in the Royal Thai Government Gazette in
November AIT becomes independent of SEATO as an institution of
higher learning empowered to grant degrees Majesty King Bhumibol Adulyadej
of Thailand graciously presides over the Eighth Annual Graduation in
May the first for the newly named Asian Institute of
Technology Majesty King Bhumibol Adulyadej of Thailand graciously presides over
the opening of the new campus in Pathumthani in February
anniversary is celebrated with a donors meeting Financial support is
provided by governments and over organizations foundations and industries Institute
marks its anniversary in September with a donors meeting where

the Academic Plan is unveiled aimed at achieving a balance
between classical engineering and management fields The plan emphasizes consolidating
thirteen existing priority fields of study and research that meet
the criteria of relevance to Asian needs and of practicability
and the Government of Vietnam signs an M O U
in February to establish the AIT Centre Vietnam in Hanoi
The Institute undergoes academic re structuring in which smaller academic
units are grouped together in Schools toward achieving greater synergy
anniversary is celebrated with numerous special events including the AIT
Stakeholders Forum September focusing on the challenges ahead A round
table discussion is held including AIT s trustees donors faculty
staff students and alumni in addition to representatives of international
organizations NGOs and the private sector s anniversary is celebrated
not only in Thailand but also in various other countries

Asked QuestionsProgram I want to study at AIT What does
AIT offer and what are the admissions requirements The Institute
offers Doctoral Degrees Executive Master s Degree Master s Degrees
Professional Master s Degree Diploma Certificate Programs Non degree programs
Intensive English language For eligibility requirements on the Degree Programs
please visit the Admissions website For non degree training please
visit the AIT Extension and Language Can I apply to
two Academic Programs at the same time No You can
only apply to one academic program at any time What
Academic Programs and Courses does AIT Offer The Institute currently
offers academic programs For details please visit our School websites
School of Engineering and Technology SET School of Environment Resources
and Development SERD and School of Management SOM What is
the duration of study Year Master s Degree students normally
study for months enrolled in August Intake and months enrolled
in January Intake which includes four semesters two short breaks
and one long break between semesters Doctoral students study for
at least months or seven semesters year Master Professional Master
Program and the Diploma Programs are at least months or
two semesters and the Certificate Program is months or one
semester Do you have academic exchange programs and scholarships for
those Yes we have academic exchange programs with various partner
universities in Asia and Europe AIT has a limited number
of scholarships to assist our students to go on academic
exchange You can apply for an academic exchange program and
the scholarship in your second semester of study at AIT
Do you provide minors Yes AIT provides the option to
graduate with a minor Starting from the August semester AIT
offers a Minor in Entrepreneurship More minors will be added
in There are no additional cost in pursuing a minor
A total of credits in the minor program are required
Is all communication and all documents and teaching material in
English Yes AIT is an English speaking campus All communication
is in English more details under FAQ number under the
requirements What are Unified programs Unified Programs integrate undergraduate studies
with graduate studies into a seamless Unified program For example
undergraduate students may join AIT in their final year to
complete their undergraduate degree and at the same time start
their Master program at AIT AIT has several Unified programs
with our partner universities managed by our Office of Special
Degree Do I need to apply for the scholarships listed
on the AIT scholarship website You do not need to
apply separately for the scholarships Once you have submitted the
application online your will be automatically considered for all scholarships
for which the deadline has not expired and for which
you are eligible The type and amount of scholarship given
to applicants is on a competitive basis with the main
criteria of academic standing Should you wish to be considered
for full scholarships you must submit an Official English score
of including writing and overall that is not older than
years Please check acceptable test results here How can I
obtain the application form Application to AIT is now fully
online Thus please apply using the Online Application Who must

write my letters of recommendation Your referees should be well acquainted with your intellectual abilities academic performance and personal character Only applicants for the doctoral degree program must submit at least recommendation letters no recommendation letters are required for master degree programs Do you require interviews for admission When and where Applicants from selected countries will be called for interview The School will contact you directly for the arrangement Will you waive my admission interviews since I was admitted last year but chose not to register No As the application assessment varies from each intake your application in the next intake must be as competitive as those with others applying in that same intake Is proof of English language proficiency required Yes all AIT programs are conducted in English thus you will need to provide proof of adequate English language proficiency There are three ways to provide proof of adequate English language proficiency Citizenship of an English speaking country Applicants who are citizens of and have been educated in an English speaking country Australia Canada Ireland New Zealand the UK and the USA are exempted from English testing Proof of citizenship and studies must be submitted Certificate of English Medium of Instruction Applicants who have earned a degree at a university at which English is the sole medium of instruction may submit a document signed by the University Registrar attesting to English medium of instruction AIT reserves the rights to accept or reject such certificate based on our extensive list of recognized certificates of English Medium of Instruction Applicants who submit a certificate are requested to sit the AIT Academic Writing Test upon arrival to determine their level of proficiency on the AIT scale If your submitted certificate is not acceptable we will inform you immediately In this case you are required to submit an English score of AIT approved tests See Number below Approved test of English language proficiency Applicants with good undergraduate records and minimum scores on official tests of English proficiency can be admitted without conditions The approved tests and minimum scores are AIT EET Academic Module Writing band Other test scores such as TOEFL Internet based computer based paper based CEFR and may be considered based on equivalent scores to the IELTS Academic Module Students with good academic records with lower scores may receive conditional admission They will be required to attend English classes at AIT until their scores improve Please see the test score comparison table here Those who are interested in applying but do not meet the minimum English proficiency requirements for admission or conditional admission are recommended to study English in their home countries until they are ready to re apply What is the AIT English Entry Test AIT EET The Language Center LC offers a minute in house test of English proficiency called the AIT English Entry Test EET The score is based on a nine point scale similar to the IELTS test The Writing score which is the most important at AIT is based on an essay The test result will be e mailed within days The LC will report the test result to the AIT Admissions only if the score

is satisfactory for provisional admission If applicants fail to obtain the minimum score requirements for admission they may take the test again There is no limit to the number of times they can take the test but we encourage applicants to study and improve their English before retesting The test is conducted several times per week on campus Alternatively the test can be taken online through our online EET test application For more information or English test application please see here Where can I find the information about English classes at AIT You can find the information on English classes and other services offered by the Language Center here Are there any Thai classes offered Yes the Language Center offers Thai courses What is the AIT writing test AWT All new students whohave either not submitted a test score for admission e g those who submitted a certificate of English medium of instruction or have taken the online EET or have taken the EET outside of Thailand where the testing was not conducted by AIT Language Center or the Schools of AIT must take the AIT Writing Placement Test AWPT to validate their writing scores and to be able to register for classes The AWPT consists of two tasks The first is a description of data words and the second is an essay words These two tasks are scored on a nine point scale The criteria for scoring are similar to those for the IELTS academic writing test For more information please see here An AWPT score of or IELTS writing score of or LC approved equivalent or satisfactory completion of EL Pass should be attained by the end of the second semester This will be a condition for registration for dissertation thesis research study project Students with AWPT score below are required to take mandatory English Language EL courses at the AIT Language Center until they meet the English language requirements Students who wish to attend English courses outside AIT in lieu of the EL courses need to seek prior approval of the Language Center before the start of the program and need to provide proof of attendance I obtained a degree at a university at which English is the sole medium of instruction Can I submit a certificate in place of English Test score You can submit the Certificate of English Medium of Instruction issued by the Registry Office of your previous institute We do reserve the rights to accept or reject such certificate based on our extensive list of recognized certificates of English medium of instruction Alternatively you can take AIT EET test on campus or online However should you wish to be considered for full scholarships you must submit an English test score that is not older than years Please check acceptable test results here My English test is old is it still valid The validity of English tests is two years Please check acceptable test results here Is TOEFL ITP acceptable to AIT NO it is not We only accept Paper Test CBT and IBT Fees and How much is the application processing fee The processing fee is Baht or US How should I pay

the application processing fee It must be sent together with your application Payment must be received in order for your application to be processed After the submission of your online application there is option to pay the processing fees through online credit card The other mode of payment is also available Please see below in number Can I pay the online application processing fee using credit cards Processing Fees US or Baht can be paid online using credit card Visa MasterCard and American Express before submitting the application online or through your friends in Thailand Fees can also be paid through western union in this regard please write to email protected for further details If you are not able to pay online or western union payment can be made through bank transfer to AIT bank account Once the payment is done through bank transfer please send the bank transaction detail to email protected to process your application internally Bank account details Bank Name Siam Commercial Bank Thailand Bank account name Asian Institute of Technology Bank current account number or please use this account for those transfer from oversea Bank savings account number please use this account for those transfer inside Thailand Bank SWIFT Code SICOTHBK Bank address Moo Klong Nueng Klong Luang Pathumthani ThailandIf you would like transfer through Western Union Payment Please send an email to Admissions office email protected to request the details Can the application processing fee to be waived No it cannot After submitting the application the applicant must pay the application processing fee How much does it cost to study at AIT The different program of study costs are in this site https ait ac th tuition and fees If I apply and accepted this intake can I defer to the next intake with the same condition Yes you can defer your entry until the next academic semester However the financial conditions of the admission may change depending on the competitive assessment for the next semester You are also required to pay the application processing fee to reactivate your admission Financial Do you offer financial support How do I apply Yes we have various forms of financial packages available to highly qualified applicants from funds granted by donors as well as from AIT itself Please check this site Are there scholarship grants available for international students to apply for AIT offers a limited number of financial awards in the form of scholarships for the Master s and Doctoral programs on a highly competitive basis to applicants who have been evaluated as outstandingly qualified for admission and who can show proof of financial need during their study at AIT For details please go to Scholarships Can Flexible Master or Doctoral Program receive full financial support No our target audience for the flexible programs are the working people who are not able to join full time students on campus Offering of AIT Scholarship for flexible programs are on a very competitive basis When is the school intake and the application deadline The AIT academic year consists of two semesters January and August for School of Engineering and Technology SET and School of Environment Resources and Development SERD

For School of Management the academic year consists of five terms January March June August and October For more details on specific application deadlines please visit the Admission Deadline If I apply and accepted this intake can I defer to the next intake with the same condition Yes you can defer your entry until the next academic semester However the financial conditions of the admission may change depending on the competitive assessment for the next semester You will have to pay the application processing fee to reactivate your admission I am in final year of bachelor degree can I apply for the Master Degree Yes please be sure that you will graduate before the classes begin and the original documents must be shown to the Admissions Office before enrolment Services and Is the pick up service from the airport free of charge Pick up service from the airport is free of charge if arrival is during the arrival period mentioned in the offer letter The pick up service is provided by the Student Union If arrival is not within the set arrival period you have to arrange your own transportation from the airport to AIT For details please refer to Guidelines Should I take a computer with me AIT provides limited computer facility for each school where computing access is available You are encouraged to have your own personal computer All classrooms dormitory rooms are provided with link to the AIT local area network LAN and Wifi I am not a Thai citizen If accepted will you assist my visa arrangement Yes AIT will assist in arranging for your Educational ED Visa through the AIT Government Relations Unit including extension of your ED Visa till you complete your study Do students have Medical Insurance Yes AIT has a standard insurance plan which covers certain costs of hospitalization outpatient treatment dental and personal accident but not major medical expenses For details of the insurance please check student welfare website Do you have campus accommodation Yes AIT offers on campus accommodation on a limited basis In case on campus accommodation is not available you may choose to live off campus AIT Accommodation office will provide assistance for off campus accommodation Email email protected Tel Website https ait ac th student housing Am I allowed to move out before the end of the housing contract Yes as long as all financial obligation has been settled Am I allowed to stay outside the campus without Institute assistance Yes Once enrolled and usually with second semester onwards you may request a written permission from the School Dean and the Director of Office of Student Affairs to live off campus on your own Do I have to buy my own bed sheets and pillowcases Most dormitory units provide linen pillow bed sheets and towel You may like to bring or buy extra upon arrival from nearby shopping areas However students who will avail of married accommodation and Category units are required to provide their own linens Are there any convenience stores on campus There are several convenience stores on campus where you can get most basic supplies for daily living such as Eleven but quality and

choice may be limited and prices higher than in local
markets Additional shops are located in the AIT Arcade specifically
a bakery a shop that sells snacks and toiletries clothing
and souvenier stores a book and stationery shop salon shops
a tailor and an IT shop https ait ac th
facilities What kind of food AIT serves The AIT Cafeteria
on campus serves Asian Halal Western Thai and Vegetarian dishes
It is open from a m to p m where
you can find Minimum cost meals worth Baht At SU
Snack food vendors sells Halal dishes It is open from
a m to p m There are also a number
of coffee shops in different academic buildings which are open
during office hours from a m to p m and
Kiosk shops available for specific types of food around the
campus which are open till p m We have also
convenience store Eleven which are open hours a day Students
however should not always expect to be able to obtain
food of exactly the kind they are used to Am
I allowed to work in Thailand Under the Royal Thai
Government regulations foreign students on a student visa are not
allowed to take up employment and work in Thailand However
AIT students are allowed to work as a Student Assistantship
on the AIT campus as Research Teaching Administrative Assistance I
am married Can I bring my family during my study
at AIT Students who are married and wish to bring
their families to AIT need to submit a copy of
passport and a copy of marriage certificate or evidence to
support the marital status These documents must be attested by
your Ministry of Foreign Affair and then by Local Thai
Embassy at your home country Please be advised that no
spouse or family member is allowed on campus accommodation until
availability of married unit has been confirmed in writing by
